

# Extension for SAP Hybris: Test Cases

## Amplience Extension 2.0.0 for SAP® Hybris® Commerce

### DM Product Media

#### Test 1) PLP showing product images and roundels

1. Load Helmets product category page showing product list

The screenshot shows a web browser displaying a product list page for 'Helmets' on the 'apparel-uk.hybris.dev.adis.ws' website. The page header includes the 'hybris software' logo and navigation links for 'Home', 'Categories', and 'Helmets'. A search bar and a shopping cart icon (0 items, £0.00) are also present. The main content area displays 34 products found, sorted by 'Relevance'. Each product listing includes an image of the helmet, the product name, and its price. Below each listing are 'PICK UP IN STORE' and 'ADD TO BAG' buttons. A 'REFINE' button is located at the top right of the product grid.

Product Name	Size	Price
TRACE HELM TRENCH GREEN M	M	£40.46
TRACE GROM HELM YOUTH TRENCH GREY L	L	£32.36
TRACE GROM HELM YOUTH TRENCH GREY M	M	£32.36
TRACE GROM HELM YOUTH TRENCH GREY S	S	£32.36

Verify images are loaded from Amplience URLs.

- Load search page and search for "Helmets"

The screenshot shows a web browser window for the URL <https://apparel-uk.hybris.dev.adis.ws/yacceleratorstorefront/en/search/?text=helmets>. The page title is "Search helmets | Apparel". The header includes the hybris software logo, a search bar with placeholder "I'm looking for", a location pin icon, a shopping cart icon showing 0 items, and a £0.00 balance. Below the header, the breadcrumb navigation shows "Home / helmets". The main content area displays the search results for "helmets" with the heading "You searched for 'helmets'" and a message "35 Products found". A "Relevance" dropdown menu is open. On the right, there is a "REFINE" button. The product grid shows four items in the first row:

Product Image	Product Name	Size	Price
	HELMET WOMEN TSG LOTUS GRAPHIC DESIGNS WMS BUTTERFLY LXL		£67.96
	TRACE HELM TRENCH GREEN M	M	£40.46
	TRACE GROM HELM YOUTH TRENCH GREY L	L	£32.36

Below each item are "PICK UP IN STORE" and "ADD TO BAG" buttons. In the second row, there are two more helmets:

Product Image	Product Name	Size	Price
	TRACE GROM HELM YOUTH TRENCH GREY M	M	£32.36
	TRACE GROM HELM YOUTH TRENCH GREY L	L	£32.36

Each product image has a small circular badge indicating its status: "New" or "Sale".

Verify images are loaded from Amplience URLs.

## Test 2) PDP showing product gallery & swatch images

- Load product details page
- Scroll through product image gallery
- View list of alternative colour swatches

Trace Helm lime L | Helm < https://apparel-uk.hybris.dev.adis.ws/yacceleratorstorefront/en/Brands/Red/Trace-Helm/p/300453380

Verify basket product images are loaded from Amplience URLs.

#### Test 4) Product Quick View product image gallery

1. Load PDP page for product with related products
2. Click on related product to open the Quick View

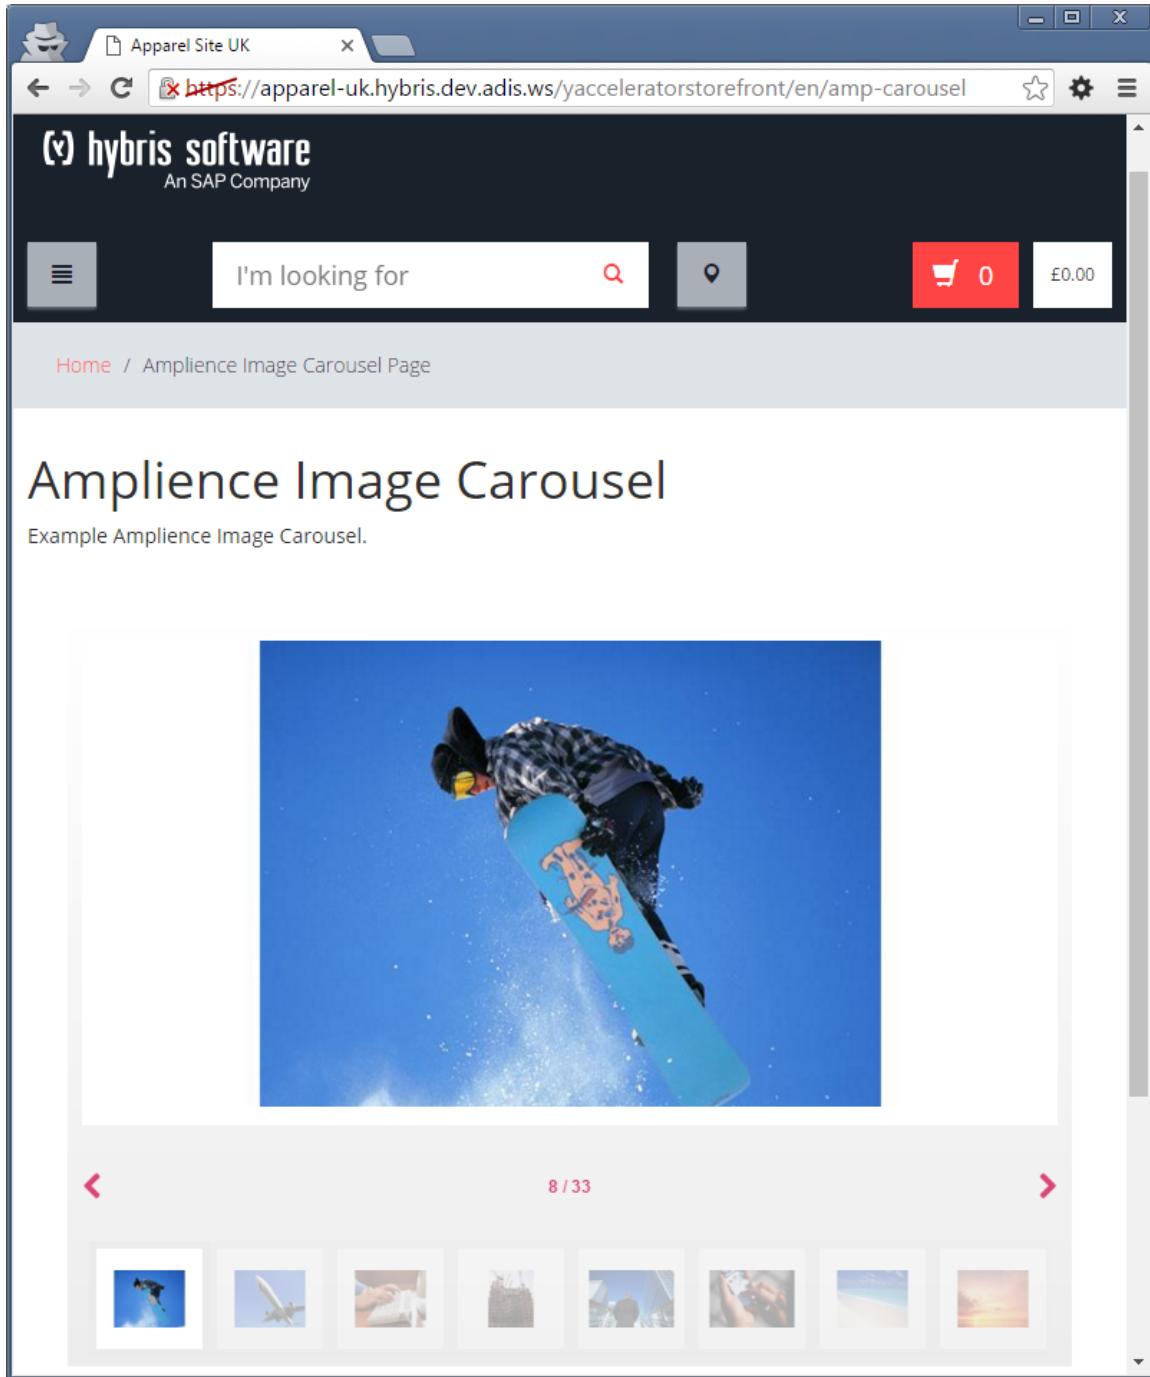

Verify that the product images shown in the quick view popup product image gallery are loaded from Amplience URLs.

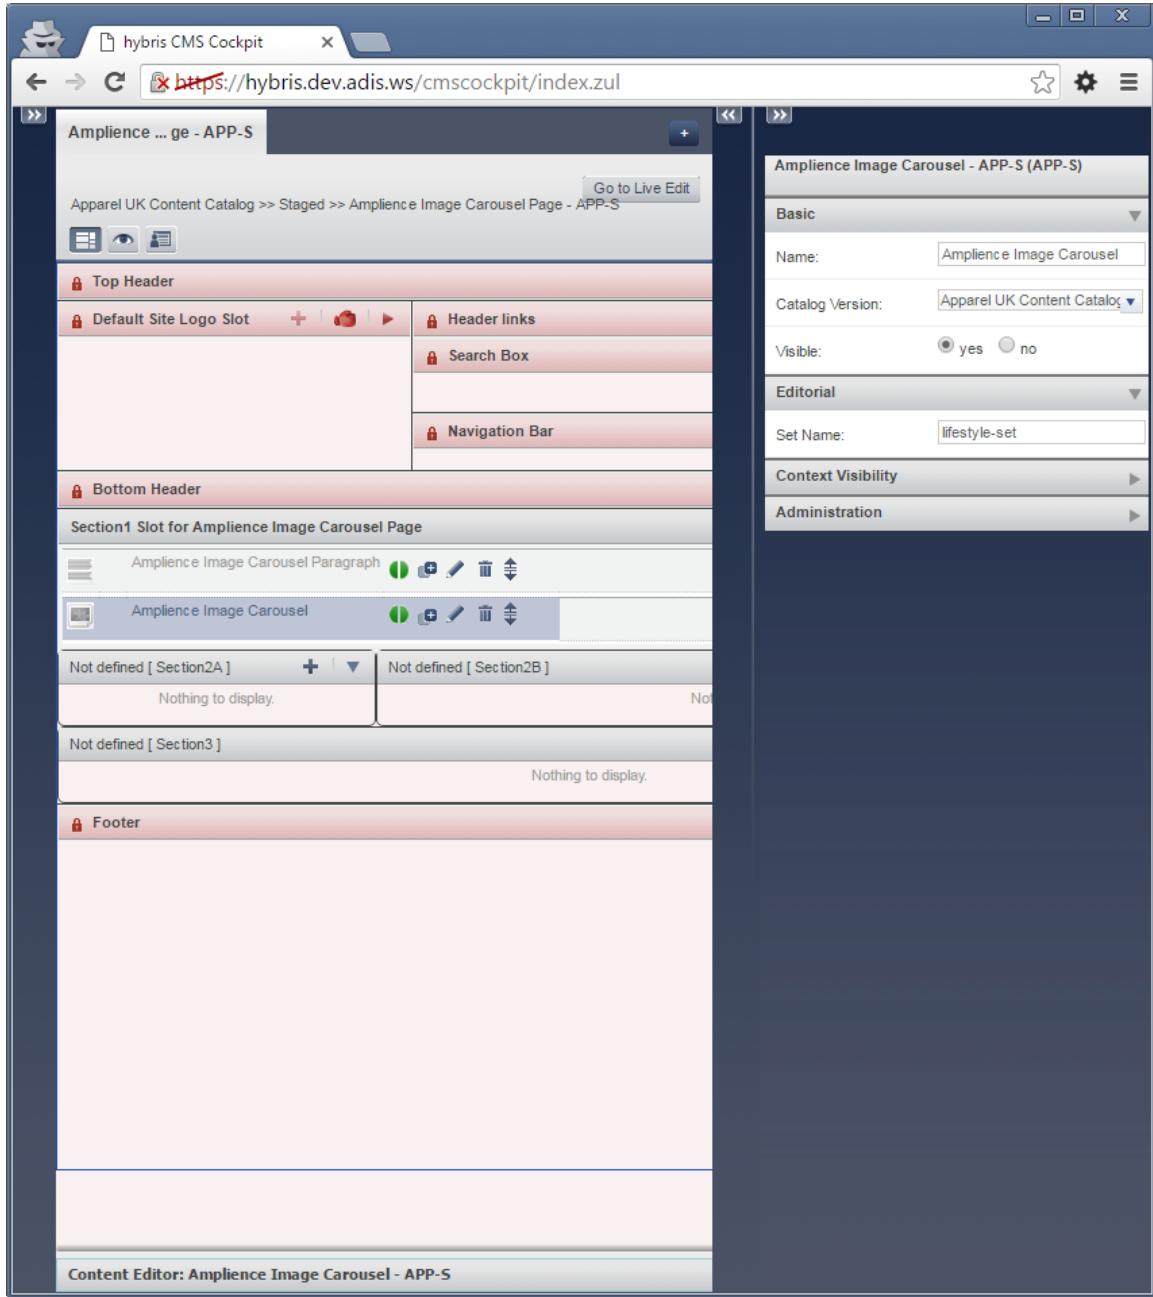

## DM Content Media

### Test 5) Carousel Component

1. Open /amp-carousel page which has Carousel component

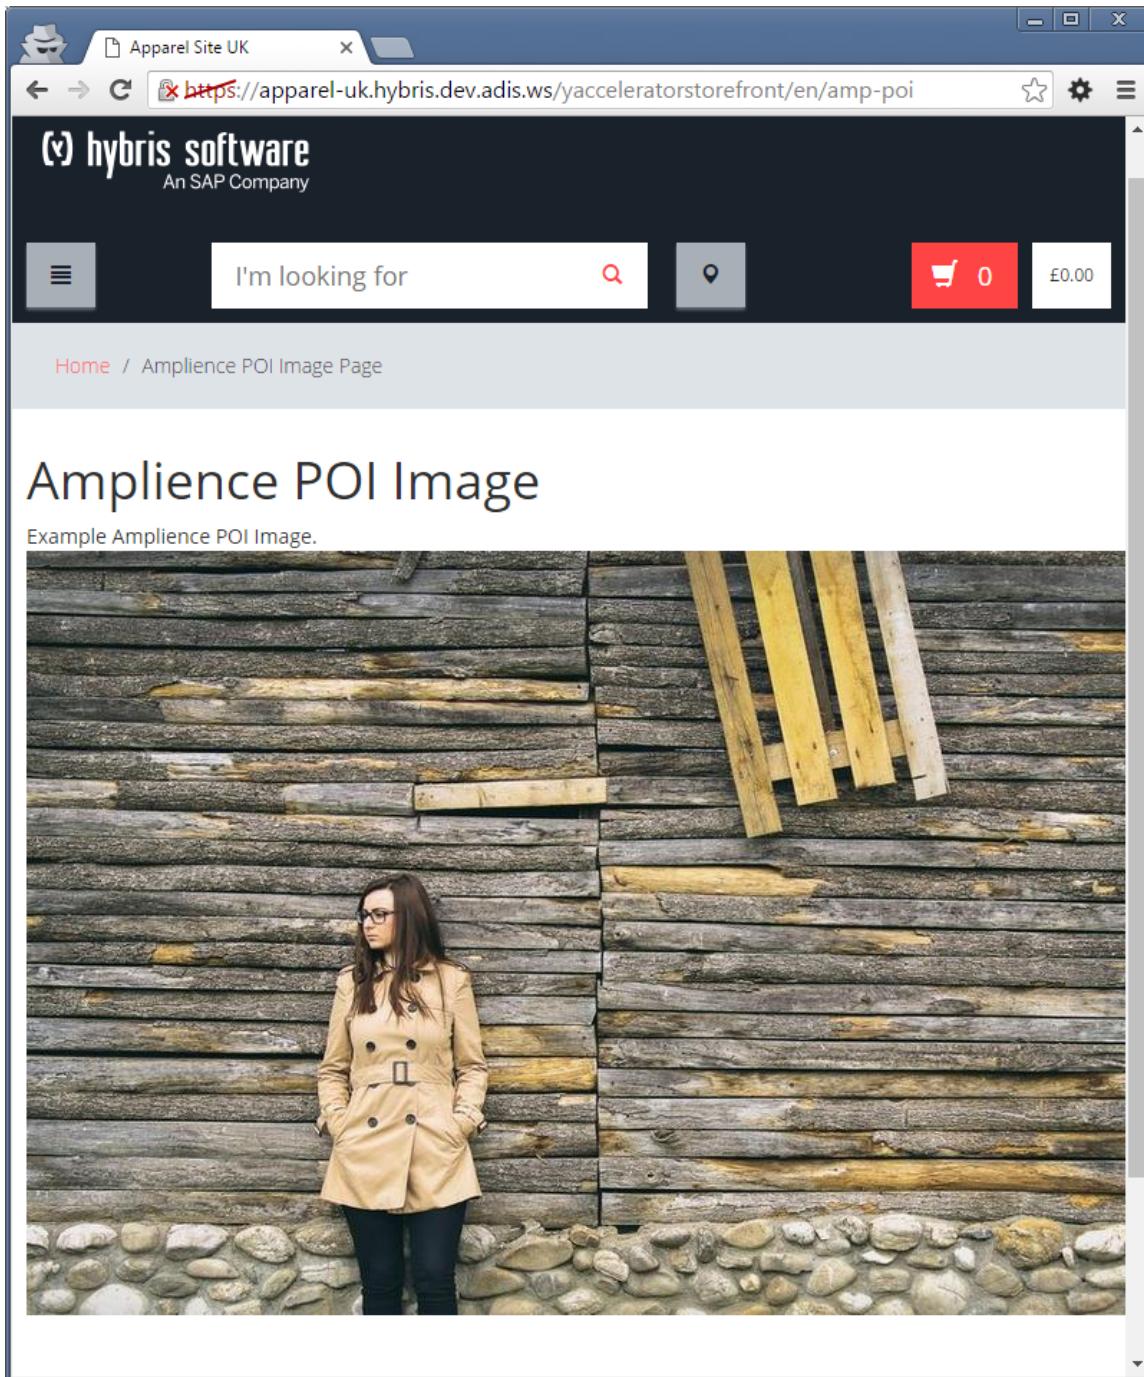

- Validate the images are loaded from Amplience URLs.  
2. Navigate to CMS Cockpit view and edit the component

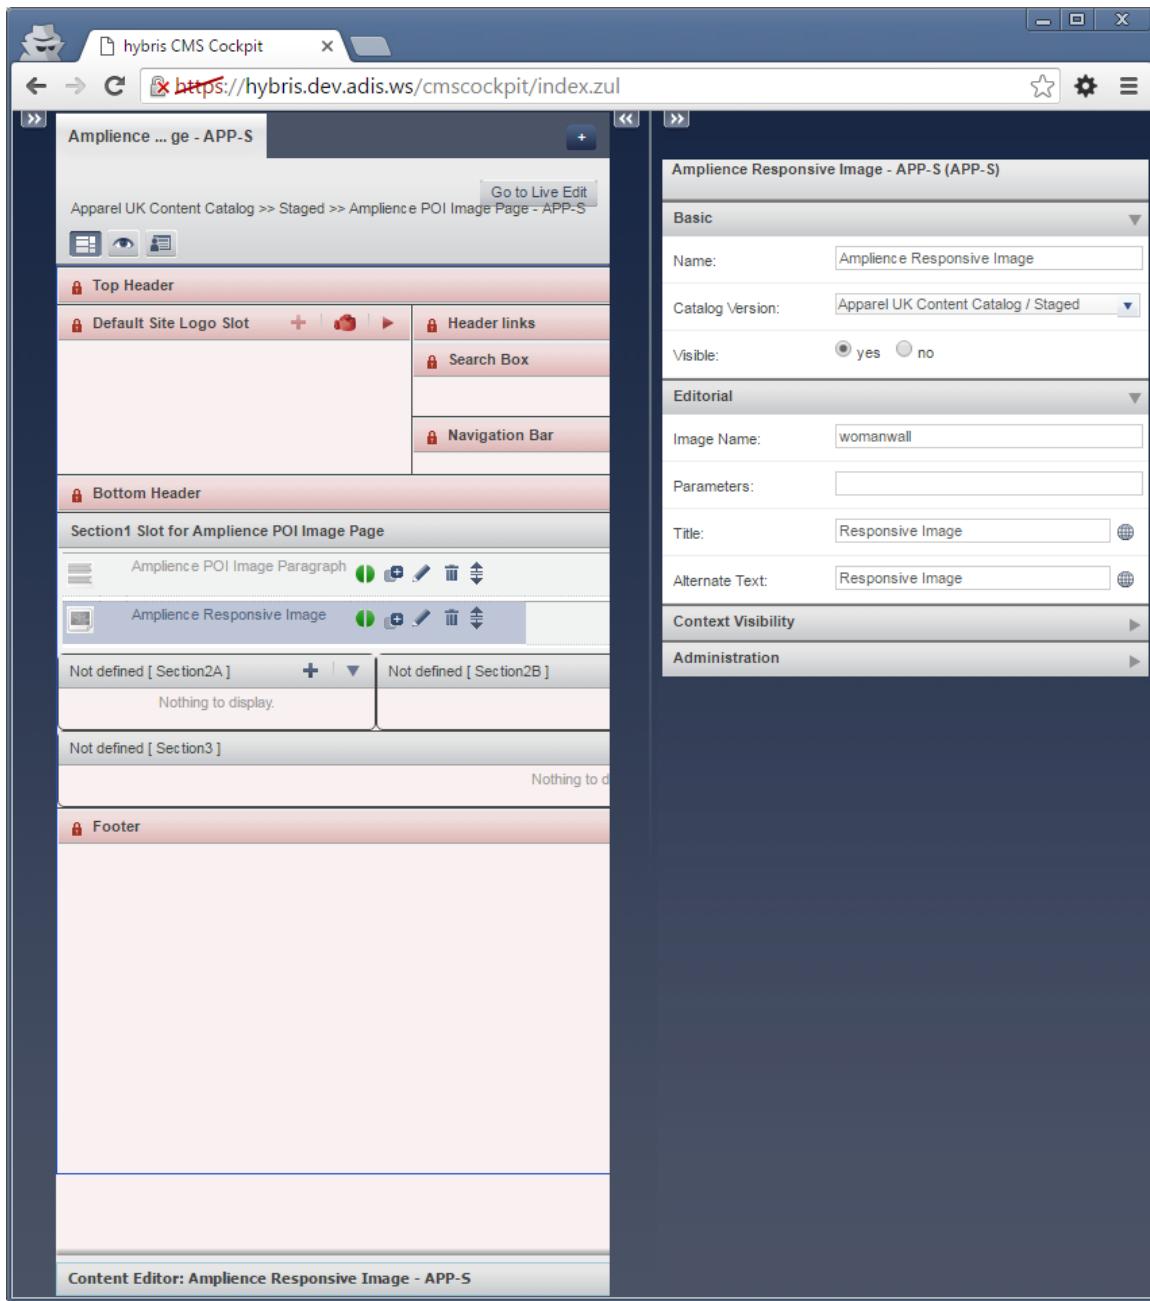

## Test 6) POI Image Component

1. Open /amp-poi page which has Carousel component

2. Navigate to CMS Cockpit view and edit the component

## UGC Streams

### Test 7) UGC Media Wall Component

1. Open /amp-ugc-mediawall

Verify images are loaded from Amplience URLs.

2. Click on image to open modal popup

3. Click on Buy Now button to open the product quick view
- Verify correct product popup is opened.

## Report of Products with Missing Images

### Test 9) HMC Report

1. Open HMC
2. Navigate to Reports > Amplience
3. Run Missing Images report

The screenshot shows the hybris management console interface. The left sidebar contains a navigation tree with categories like Administrator, System, Catalog, Multimedia, User, Order, Price Settings, Internationalization, Marketing, Cockpit, Scripting, Base Commerce, DeeplinkUrls, Ticket System, WCMS, Reporting, and Amplitude (which is expanded to show Missing Images). A 'Recent items' section is also present. The main content area has a blue header bar with the title '(x) hybris management console'. Below the header is a toolbar with New, Back, Forward, Refresh, and User icons. To the right of the toolbar is a Language dropdown set to English. The main content area is titled 'Search' and contains a search query: 'Find Products with missing Amplitude image media.' A search form is displayed with the following fields:

Attribute	Locale	Comparator	Value
Catalog Version		is equal	apparelProductCatalog - Staged

A 'Search' button is located below the form. The results section is titled 'Results' and shows a table with one column labeled 'Product'. A message states: 'The search was finished. No results were found.' The results table shows '0 - 0 of 0'. There is also an 'Editor' link below the results table.

Verify that no results are returned - because the status update job has not been run.

4. Run cronjob AmplitudeProductImageStatusUpdateCronJob
5. Run Missing Images report again

The screenshot shows the hybris management console interface. On the left, there is a navigation tree with categories like Administrator, System, Catalog, Multimedia, User, Order, Price Settings, Internationalization, Marketing, Cockpit, Scripting, Base Commerce, Deeplink URLs, Ticket System, WCMS, Reporting, and Amplience. Under Amplience, there is a folder named 'Missing Images'. The main area is titled '(x) hybris management console' and has a sub-header 'Explorer: Administrator@hybris.dev.adis.ws/master: Amplience Missing Images Report View'. A search bar at the top says 'Find Products with missing Amplience image media.' Below it is a search form with columns for Attribute (Catalog Version), Locale (is equal), Comparator (apparelProductCatalog - Staged), and Value (apparelProductCatalog - Staged). A 'Search' button is present. The results section shows a table with three rows, each representing a missing product: 140468\_blue - Alexis Boardshort Youth blue, 140468\_multico - Alexis Boardshort Youth multico, and 140468\_neo\_orange - Alexis Boardshort Youth neo orange. The table has a header row with 'Product' and a footer row indicating '1 - 3 of 3'. A 'Recent items' section is visible at the bottom of the left sidebar.

Verify that the report shows 3 missing products.

## Test 10) Email Report

1. Open HMC
2. Navigate to Reports > Amplience
3. Run Missing Images report  
Verify that report shows 3 missing products.
4. Open the cronjob AmplienceProductImageEmailReportCronJob  
Check that the email address list contains an email address that you can receive, if not update it.  
Run the AmplienceProductImageEmailReportCronJob
5. Check email report contains same products with missing images as the screenshot

Missing Product Images Report - Message (HTML)
